CALIFORNIA BAPTIST UNIVERSITY

LIVE YOUR PURPOSE

BIBLICALLY ROOTED | GLOBALLY MINDED | ACADEMICALLY PREPARED | EQUIPPED TO SERVE

Pathway to Being Highly Qualified in Special Education, Birth-Age 22

1.

- Earn a B.A. or B.S from a regionally accredited college (An Early Childhood Studies major is a great choice)
- Apply for Admission to CBU's Graduate Program

ADDED VALUE

Successfully completing an Early Childhood Studies degree at CBU allows the Student to file for a California Child Development Permit

http://www.ctc.ca.gov/help/CDP/default.html

2.

- Attempt all three sections of the CBEST
- Complete the credential prerequisites

REMINDER

Meet with a School of Education advisor and complete all requirements for credential program acceptance

3.

- Successfully complete all courses
- Successfully pass all state required exams
- File your preliminary credential

REMINDER

The Mild/Moderate and Moderate/Severe credentials qualify the Student to teach in K-age 22 settings

HINT

Candidates who have already earned a Mild/Moderate or Moderate/Severe credential may immediately go to Step 4

4.

Classes Begin Fall 2013

- Earn an Added Authorization in Early Childhood Special Education (ECSEAA) which includes 4 classes, 12 units
  All coursework is specific to birth- prekindergarten and includes practicum experiential learning
  1. Characteristics of Infants, Toddlers and Preschoolers with IFSPs and IEPs
  2. The Role of the Family in ECSE
  3. Assessment and Intervention: Birth-Pre-K
  4. Instructional Strategies: Birth-Pre-K

The ECSEAA qualifies the Student to teach Birth-Age 22
