

Biology Research Seminar

Monday, February 8
4:00 PM to 6:00 PM

Copenbarger Presidential Dining Room (small side)

All biology majors are invited to attend this special event. At this event, we will have guest speakers from UC Irvine and Pepperdine University who will be speaking about research opportunities available at their universities. We will also have several student speakers from CBU who will be discussing research projects as well as summer research opportunities available in our area.

Refreshments will also be provided.

There is no cost to attend the event but space is limited –
RSVP requested.

RSVP by Monday, February 1 to
