*This program is available to students who wish to have both the Master of Arts in Counseling Ministry and the Master of Science in Counseling Psychology. This complementary masters program must be taken in a specific order which requires the completion and posting of the M.S. degree first. Courses may be taken concurrently but the M.S. in Counseling Psychology degree must post at least one semester prior to the posting of the M.A. degree.

CBS 500 Congregational and Professional Counseling Applications (3)

A comparison and analysis of the foundations, theories, scope of practice and applications of Professional MFT vs. Pastoral and Church Based Counseling. Emphasis will be toward an understanding of the differences, complementary aspects, and possible models for mutual referrals and cooperation between these two approaches.

CBS 510 Law and Ethics for Church Based Counselors (2-3)

An examination and explanation of current laws and ethical issues affecting Pastoral Counselors and Church Based Counseling applications. Number of units required specified in each program. *(M.S./Professional Ministry students must enroll for 2 units).*

CBS 520 Human Development through the Biblical Life-Cycle (3)

A general overview of life development following the Biblical Stages from birth through death with emphasis on the relational skills, roles and rituals associated with each stage.

CBS 530 Congregation as a Healing Community (3)

A general understanding of the dynamics of congregational life to personal development and adjustment necessary in maintaining healthy marital, family and personal relationships in community context. Emphasis will be placed on the congregational structure and dynamics necessary for the application of life-to-life and other congregational counseling models.

CBS540 A Theology of Helping People (3)

A survey of Christian approaches to counseling and relational healing with application to a life-to-life model of counseling in the congregation. Theology as a counseling theory will also be addressed.

CBS545 Survey of Church Based Counseling Programs (3)

A survey of specific programs of Church Based Counseling and their application in a congregational setting.

CBS 546 Relational Counseling Techniques (3)

An examination of the relational skills and settings that establish and maintain an effective counseling relationship in a congregational setting.

CBS575 Readings in Christian Behavioral Sciences (3)

A reading course in which the student will develop an extended annotated reading list in Christian Behavioral Science texts.

Students may choose the Practicum or Thesis Option

Church Based Counseling Practicum Option:

CBS550 Church Based Counseling Practicum I (3)

Supervised counseling experience in a congregational setting. Emphasis will be on pre-marital, marital, religious life-cycle events such as birth and death related counseling.

CBS555 Church Based Counseling Practicum II (3)

A continuation of supervised counseling experience in a congregational setting with emphasis on life-to-life aspects of one-anothering and mutual assistance in faith development and application to life.

Research Thesis Option:
