

# INTERCOLLEGIATE Athletics

## California Baptist University

Located in the heart of the Inland Empire in Riverside, Calif., California Baptist University offers 17 intercollegiate athletic teams. The Lancer athletic program is one of nearly 300 programs within the National Association of Intercollegiate Athletics (NAIA) and is one of 11 members in the Golden State Athletic Conference (GSAC)—arguably the best conference in the NAIA. Since 1999, CBU has won 14 national championships, including three (men’s volleyball and men’s and women’s swimming and diving) in 2006-07. This past year, CBU had 21 athletes earn NAIA Daktronics Scholar Athlete honors. In addition to that, the Lancers had five athletes earn 2007 Arthur Ashe Jr. Sports Scholar Awards. Presently, all 17 teams offer athletic scholarships.
